To Whom It May Concern,

I am writing to offer my recommendation for Mac's Janitorial and Dave McDonough. Over the past 20+ years, I have had the pleasure of working with Dave across multiple school sites, including both private and public institutions.

In that time, Dave has proven himself to be not only reliable but deeply respectful of the unique environment that a school requires. He understands that every site is different, and he has an exceptional ability to assess what is needed and adapt his team's approach accordingly. Whether dealing with the specific needs of a private facility or the high-traffic demands of a public school, Mac's Janitorial consistently delivers high-quality service without disruption.

Dave's professionalism and his team's flexibility have made them an invaluable partner to our operations. I recommend Mac's Janitorial without hesitation for any educational facility seeking a dedicated and adaptable cleaning service.

Sincerely,
